

Name of the object of project	Period	Line of activity	
Project design for reconstruction of the sewerage system near the settlement of KTM	2015	Sewage and waste-water treatment	
Selecting aeration technology for the reconstruction of the aeration tank	2015	Sewage and waste-water treatment	
Reconstruction of incinerator	2015	Waste management	
Development project for the construction of the sewerage system	2015	Survey	shallow in the downstream
Performing of geotechnical survey	2013-2015	Survey	
Concept of sanitation of the settlement	2014	Sanitation	

Development project for the construction of the water supply system	2014	Water supply	
---	------	--------------	--

Design specifications and construction of the water supply and sewerage systems	2013	Water supply and sewerage systems	
Wastewater treatment facility	2013	Wastewater disposal	wastewater treatment
Water supply system reconstruction	2013	Water supply	
Automatic flow sewerage collection system	2012-2013	Wastewater disposal	rodskaya str to CTF-2. Collection system
Techno-economic justification of the wastewater treatment plant	2012-2013	Wastewater treatment	ochloride production unit in the settlement
Techno-economic justification of the wastewater treatment plant	2012-2013	Wastewater treatment	e of wash waters on the area of the settlement
Drinking water sterilization	2012	Wastewater treatment	

Reconstruction of treatment plant	2012	Wastewater treatment and recreation camp Uyut;
Solid waste landfill in Vilchys	2012	Waste management
Feasibility study: determination of the need for a waste management system	2012	Waste management in Petrovsk, Ukraine
Development of recommendations for the transport of dangerous waste (road)	2012	Waste management for transport of dangerous waste (road)
Reconstruction of sewage treatment plant	2011-2012	Sewage and waste-water treatment
Reconstruction of sewage treatment plant	2011-2012	Sewage and waste-water treatment
Solid waste processing facility	2011-2012	Waste management in Yumy, Kirovohrad
Solid waste landfill in Andriivka	2011	Waste management
Construction of sewerage system	2010-2011	Sewage and waste-water treatment in Kerkiv, Ukraine
Solid waste landfill in Balaklava	2010-2011	Waste management
Reconstruction of sewage treatment plant	2010	Sewage and waste-water treatment in Kerkiv region, Ukraine
Concept of sanitation and waste management	2010	Waste management
Construction of sewerage treatment plant	2010	Water supply in Kerkiv region, Ukraine
Construction of water supply system	2010	Water supply
Development of water supply system	2010	Water supply in Kerkiv region, Ukraine
Reconstruction of main sewerage line	2009	Sewage and waste-water treatment
Solid waste landfill in Zaporizhzhia	2009	Waste management

Reconstruction of sewage treatment plant	2009	Water supply	work in Kupiansk, Kharkiv region
Construction of Main Biological Treatment Plant	2009	Sewage and waste-water treatment	
Extension of sewage treatment plant	2009	Water supply	TF. 5 sludge beds
Upgrade of Unit of Biological Treatment	2008	Water supply	eat-ment Facilities of the F
Program for elimination of pollution	2008	Hydro-engineering facilities	
Regional concept of protection of water resources	2008	Hydro-engineering facilities	Zakarpattia region, Ukraine
Sewer collector and pump station	2008	Sewage and waste-water treatment	Donetsk, Ukraine
Construction of the 3rd tunnel	2008	Electric-driven urban transport	
Correction of the natural gas supply	2008	Natural gas supply	area serviced by gas flow
Correction of the natural gas supply	2008	Natural gas supply	
Reconstruction of the 3rd tunnel	2008	Water supply	ment facilities with the capacity
Reconstruction of tunnel	2007	Water supply	Yalta (section from South p
Project of detailed position	2007	Water supply	sites of groundwater intake
Main sewer collector for	2007	Sewage and waste-water treatment	
Main sewer collector and	2007	Sewage and waste-water treatment	
Right-bank sewage treatment plant	2007	Water supply	on and reconstruction)
Reconstruction of aeratic	2007	Sewage and waste-water treatment	Donetsk, Ukraine

Decontamination of free-	2007	s	Sewage and waste-water treatment	Kharkiv region, Ukraine
Traction power substation	2007	ni	Electric-driven urban transport	
Construction of the 2nd t	2007	n	Electric-driven urban transport	Commissioning of the first
Trolley bus depot in 32, 1	2007	ne	Electric-driven urban transport	
Trolley bus line in Massa	2007	C	Electric-driven urban transport	
Reconstruction of the street	2007	or	Electric-driven urban transport	Reconstruction of Novoshipor
Construction of a new solid	2007	ri	Waste management	
Solid waste landfill in Kr	2007	,	Waste management	
Concept of natural gas supply	2007	ri	Natural gas supply	district, Kharkiv region
Construction of urban sewer	2006	lu	Sewage and waste-water treatment	
Dispersive discharge of rain	2006	of	Water supply	facilities in Auly, Dnipropetrovsk
Reconstruction of Kamys	2006	rl	Sewage and waste-water treatment	
Solid waste landfill in Der	2006	es	Waste management	Initial testing of the system for
Water supply pumping station	2006	L	Water supply	
Construction of main sewer	2006	ii	Sewage and waste-water treatment	
Reconstruction of shield	2006	Mc	Sewage and waste-water treatment	Ukraine
Reconstruction of domestic	2005	t	Sewage and waste-water treatment	Heating works, Kramatorsk

Solid waste landfill in She	2005	o Waste management	
Main sewer collector and	2005	s Sewage and waste-water treatment	
Closedown of the overfill	2005	D Waste management	r region, Ukraine. Collection
Shaft in the place of conr	2005	ur Sewage and waste-water treatment	er main sewer collector, in
Sewerage and discharging	2005	r Sewage and waste-water treatment	Kharkiv, Ukraine
Extension and reconstruc	2005	s Sewage and waste-water treatment	basin, Ukraine
Solid waste landfill in Alu	2003	Waste management
